PLASTI DIP

# LIQUID MASKING TAPE FOR DECORATORS

- Easy Mask dries to form a strong, flexible and easily removable film
- No more fiddling with adhesive tapes, time consuming & painstaking cutting in
- Ideal for all masking jobs, great for decorators, builders & artists
- Easy Mask is, easy to use, simply apply to the areas to mask, once finished just peel off to leave a bleed free straight edge with no adhesive residue
- Can be applied with brush, roller, airless sprayer or our convenient aerosols
- Available in various sizes and colours including clear.
- Easy Mask is also ideal for temporary protection on a variety of surfaces to protect against scratching caused by general handling, sandblasting, grinding and plastering.
